

# GOOD NEWS--WE'RE GROWING!

Daily our sales are increasing. The word seems to go from house to house that WALSH BROS. have a stock this season that's better than ever, and we tell you there is a satisfaction in knowing that the people appreciate it. Daily we are receiving orders from other towns for our Clothes, which clearly proves the superiority of the way we have our garments tailored and cut. Every one of them made to our order, with stiff fronts, hand-padded and put on collars, hand-worked button holes, vented sleeves with buttons and imitation button holes. No more of the old ready-made clothing ear marks here, but the best Tailor-made Ready-to-Wear Clothes on earth, and we don't ask a cent more for them than stores that handle half-made rags. We just simply know the business, where and what to buy. Now are you trading here? If not, why not? Don't let any body or circumstance keep you from having the best for your money. Come to-day; the good things are moving.

## Good News

Our OVERCOAT business is growing on every hand. You will hear them praised; the folks are buying them because they are right in style, and the prices low. We show the new yoke coats, cut 48 and 50 inches long; the plain Overcoats 48 inches long, loose back with slit pockets.

The Paddock Coats, close fitting in the back, 60 inches long, and the medium coats 42 and 44 inches long with loose or close fitting back, as you want.

Also, the short box college top coat for young gents who want the correct thing.

Now the tailors can't make these garments for double the price and some of them can't make them correctly at any price.

Prices on yoke and others at \$7.50, \$10, \$12.50, \$15, \$18, \$20, \$25 and \$30.

Glad to show you today.

### OLD STAND-BYS :

Ringold's Shop-made Boots, Newburgh Pants for men, boys and children.

### The 10 Great Reasons Why You should buy our \$10 Suits Are These:

1. Every Coat has a hair cloth front, no wrinkling or getting out of shape.
2. Every Coat is made with cup seam, hand padded and hand-put on collars.
3. Every Coat is finished at bottom without stitching lining; never drops below coat.
4. Every coat is made with seam in center of back; no coat can fit without center seam.
5. Every coat is finished at sleeve without stitching, and three buttons with imitation button holes, superior to the tailor's nish.
6. Every coat is sewed with pure dye silk; every buttonhole is hand-made and buttons are sewed on with flax thread.
7. Our coats are made with the broad, square shoulders and close fitting back.
8. The Trousers to our great \$10 Suits come in two style legs, medium and large, giving you a choice that other stores do not offer.
9. The vests are sometimes overlooked by the customer, but the vest of every \$10 Suit we sell is made with the same care as the coat.
10. And last reason why you should seek our \$10 Suits is this: They are the Vitals and Hamburger Bros', make; they are special offerings. We can fit anybody. The colors are adapted to all walks of life. Every Suit is worth from \$12.50 to \$15.

## Good News

The demand for good clothes is growing. We're reaching out for the tailors trade. The Stein-Bloch wholesale tailored clothes and Hamburger Bros. tailor-made clothes are opening up the eyes of the tailor-made man. We show the three-button military sack and the new bell-bottom, four-button sack, quite the thing now.

Come and see them. Suits from \$15 to \$25.

## Good News!

Our HAT business is growing. No matter where you go, and the better society you get into the more Knox Hats you will see. Knox makes but one style stiff hat, that is accepted by the best dressers in New York and elsewhere. Of course we have different height crowns and width brims to suit all.

We also show John B. Stetson's complete line, including the now popular Panama shape.

Come to us for style and correct headwear. We will please you.

## Good News

We're growing the best shoe business in the town. It's good news to know that you can be fitted and suited in Edwin Clapp's, W. L. Douglass' and Eclipse Shoes in the town. ## The Children's Friend.

You'll have a cold this winter. Maybe you have one now. Your children will suffer too. For coughs, colds, bronchitis, grip and other winter complaints One Minute Cough Cure never fails. Act promptly. It is very pleasant to the taste and perfectly harmless. C. B. George, Winchester, Ky., writes: "Our little girl was attacked with croup at one night and was so hoarse she could hardly speak. We gave her a few doses of One Minute Cough Cure. It relieved her immediately and she went to sleep. When she awoke next morning she had no signs of hoarseness or croup."

## Safe Blowers.

Safe Blowers at Black Rock, Ark., secured \$2,000 in cash and \$10,000 worth of pearls.

## Modern Surgery Surpassed.

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta, Ga. "I procured a box and was entirely cured of DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles.

DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeiters.

For all fresh cuts or wounds, either

on the human subject or on animals, Ballard's Snow Liniment is excellent; while for corn huskers' sprained wrists, barbed-wire cuts and sores on working horses, it cannot be too highly recommended. Price, 25 and 50 cents. Thos. Kennedy.

Seymour Webb, Moira, N. Y.

writes: "I had been troubled with my kidneys for twenty-five years

and had tried several physicians

but received no relief until I bought

a bottle of Foley's Kidney Cure."

After using two bottles I was absolutely cured. I earnestly recommend Foley's Kidney Cure." Take only Foley's.

**F. C. Duerson, druggist.**

## Gus-ber.

The statement that a "great gusher has been struck" is misleading. It is difficult to tell whether it is an oil well or the one who promotes the scheme.

## After Easy Men.

St. Louis, Oct. 31.—Mrs. Demuth president of the Altos Home society, will start a mode to bring to the public's attention in the city who do not support their families. She says she has the law back of her.

Many people are suffering

fully from indigestion or dyspepsia,

when one single bottle of Herbine would bring about a prompt

than a prolonged course of any other

medicine. Price, 50 cents. Thos. Kennedy.

It's easy to be good natured if you have nothing else to do.

## For Hoarseness.

Benj. Ingerson, of Hutton, Ind., says he had not spoken a word above a whisper for months, and one bottle of Foley's Honey and Tar restored his voice. Be sure you get Foley's.

## F. C. Duerson, druggist.

It isn't because people are fond

of music that they blow their own

horns.

Never try to coax a cold or cough, use the remedy that unaffectedly conquers both. Ballard's Horseshoe Syrup is the great elixir for all throat and lung troubles. Price, 25 and 50 cents. Thos. Kennedy.

## Dead.

Dr. Harvey McDowell, who was Lieutenant Colonel of Second Regiment Orphans' Brigade, died at Cynthiana on the 6th inst.

## To Cure a Cough

Stop coughing, as it irritates the lungs, and gives them no chance to heal. Foley's Honey and Tar cures without causing a strain in throwing off the phlegm like common cough expectorants.

Sold by **F. C. Duerson, druggist.**

## Not Out.

Hall Caine is now a member of the "House of Kevs." This is evidently one where the latch-string doesn't always hang out.

A childless home is a cheerless home. The maternal instinct exists in every woman, and when it is ungratified she is deprived of much of the happiness of life. It often happens that childlessness is due to some cause which can be removed, and often is removed by the use of Dr. Pierce's Favorite Prescription.

The vigor and vitality which this remedy imparts to the delicate womanly organs, puts them in a condition of normal health, the lack of which is often the sole obstruction to maternity.

Every woman should read Dr. Pierce's Common Sense Medical Adviser, a book containing 1008 pages and 700 illustrations. It is sent entirely free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper bound volume, or 31 stamps for cloth covered. Address Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.

No man believes that he is fully

appreciated.

Geo. A. Points, Upper Sandusky, O., writes: "I have been using Foley's Honey and Tar for hoarseness

and it is the best remedy I ever tried. It stopped the cough immediately and relieved all soreness."

Take none but Foley's.

# DROWNED.

On Friday morning soon after breakfast, Mr. Lewis W. Young left the home of his son, Lee, who lives on Hinkton, below town, on horseback and went hunting in the pastures of neighboring farms. About 3 o'clock in the afternoon when he was about a quarter of a mile from his home he was seen by the Hamilton farm. There he saw Mr. Young's hat, and the horse grazing near. The discovery was made known and a search was begun by the neighbors. The horse had been in water over its back. These facts convinced the men that Mr. Young was in the pond. A search was begun. Between 7 and 8 o'clock his body was fished up out of deep water. How the accident occurred is not known.

Decades was about 78 years old, was a native of Bath county and was highly respected. For about two years he has made his home with Mr. A. S. Hart near the place of his drowning. He is well and favorably known. His family have the sympathy of many friends.

# Fresh Oysters.

Our consumers last season gave us credit for handling the best oysters that came to this market. We have arranged with the same packer to supply us this year, and will have every Tuesday, Thursday and Friday positively the finest Oysters obtainable, and we solicit the patronage of discriminating oyster eaters.

Some person or persons, on last Monday, sent a valuable donation to the packer. On going to the place where we thought we could ascertain who had perpetrated this act of kindness, we were informed we were as wise on the subject as we ever would be. It is next to impossible to ascertain who our secret friends are secret enemies. Ap- preciating the benefits of the gift, we sincerely wish that donor or donors may realize that "It is more blessed to give than receive."

# Beaten, But Not Disgraced.

Last Saturday afternoon the local football enthusiasts were treated to a splendid exhibition of pluck and endurance in the game between the elevens of the Public Graded School of this place and a picked team from Lexington under the assumed name of Dugout High School.

Fresh from their victory over Goodwin's High School, the Public School boys challenged the Dugout High School Team, which was represented to be a team of school boys averaging not more than 139 pounds, but when the local boys reached the field they were surprised to find that their opponents were college men averaging about 160 pounds. Inasmuch as the visitors had paid in advance, all complaints with reference to "ringers" were useless, and Public School was forced into a game in which they were at a decided disadvantage because of the superior weight of the Lexington team.

Lexington kicked off to Public School, who after advancing the ball to the center of the field, lost it on downs. Lexington then pushed through the right line of their opponents to within one foot of the goal, when the local boys by beautiful defensive work, took the ball from on downs, and pushed down the field about forty yards, only to lose it by reason of their inability to plunge through the massive line of the opposing forces. By repeated bucking, Guayn, of State College, carried the ball behind the goal line, scoring the first touch-down. The ball was kicked off to Lexington, who soon lost it on downs, and by some criss crosses, Public School carried it to their opponents five yard line, when time was called. Score—P. S., 0 Lexington, 5. The second half was practically a repetition of the first with the exception of about two minutes in which time Guayn made two touch-downs by breaking through the line of the opposing team. The remaining eighteen minutes consisted of fierce struggles for the ball, which were interesting in the extreme to the spectators. Time called. Score—P. S., 0 Lexington, 17.

The members and supporters of the Public School Team are thoroughly satisfied with the showing made against such great odds and are confident that they have the best High School team in the State. Each man played well and no fault can be found with any member of the team. All foot-ball critics who attended the game say that Lexington was outplayed at every point but their weight won the game.

Geary, also a State College man, was unfortunate in getting his collar bone broken. With this exception, the game was free from serious accidents, none of the local boys receiving injuries.

The game was a clean one and was fiercely contested from start to finish—the gameness of the Public School Team was the feature.

# We Are Going to See "Eddy."

That whole soul and genial Prince of good fellows, Eddy Kissenger of Clark county, visited this office last week and lived up the dull routine of the printing office with some of his big hearty laughs. He was a graduate of the law, a registered in the Wade's Medical preceptor and without spending a cent or soliciting votes, was elected, running 30 ahead of his ticket—Democratic. Before leaving he extended the office, from the devil up, an invitation to come down and eat turkey with him.

We feel sorry for him when this gang of hungry printers turn loose on him, but we can't deny ourselves a day of fun, mirth and good things to eat, and—Eddy we are coming.
